A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on Feb. 27, 2006 has been entered.

Any future response should include a status of claims and support for claim changes made in the amendment filed Feb. 27, 2006 as required by 37 CFR 1.173.

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following: The reissue declaration refers to claim 15 which was presented with the filing of this application. However, claim 15 was cancelled. The new claims 15-18 presented in the amendment filed Feb. 27, 2006 are completely different than claim 15 which was presented with the filing of this application. Therefore the basis for the reissue referred to in the reissue declaration is no longer present.

Claims 1-18 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See

Art Unit: 3731

37 CFR 1.175. The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

Claims 1-18 are otherwise allowable.
